

American Osteopathic Academy of Orthopedics Hand Surgery Section Fellowship Guide for Candidate Members

The listing of hand surgery fellowship programs has been compiled by the American Osteopathic Academy of Orthopedics Hand Surgery Section. This information is posted solely for the information of AOA Hand Surgery Section Candidate Members. The AOA Hand Surgery section has not reviewed or investigated the fellowships listed. AOA Hand Surgery Section makes no representations as to the accuracy of the information provided or the completeness of the list. Furthermore, this list does not constitute approval, certification or endorsement by the AOA Hand Surgery Section or any fellowship listed. The fellowship information may have changed, so please contact the appropriate fellowship for further information. ASSH website lists the ACGME approved hand fellowship programs.

For more details and up to date information on each hand surgery fellowship program, please view on ASSH website.
